EMPLOYMENT OPPORTUNITY

Southwestern Ontario Student Transportation Services (STS) is a transportation consortium responsible for the daily management of student transportation within Elgin, Middlesex and Oxford counties for the 2 coterminous school boards. In excess of 1,000 school bus routes carry close to 50,000 students to and from school safely, each way, every day. More information regarding our organization is available at www.mybigyellowbus.ca.

The STS team is a motivated group of transportation professionals who take great pride in the work we do every day. Student safety is our priority and we work cooperatively with the bus companies under contract to us to ensure excellence in service delivery. Effective communication with parents and school staff is an on-going and critical part of our jobs.

We are currently seeking a **Transportation Specialist – Specialized Service** to join our team. The successful candidate will be responsible for the design and implementation of student transportation solutions for students with special needs or attending specialized programs through the use of a computerized planning software program.

The **Transportation Specialist – Specialized Service** will plan routes and maximize system efficiencies within prescribed parameters set out in STS policies and procedures, related policies and procedures defined by member school boards and/or applicable legislative requirements. This role will also focus on addressing and balancing the unique medial or physical needs of the student. A high level of sensitivity and confidentiality is expected.

The successful candidate will have the following skills and abilities:

- a diploma or degree in Planning, Geography, GIS or other related discipline. In lieu of the educational requirements, a minimum of five (5) years of directly related work experience may be considered;
- a minimum of three (3) years experience in computer software, G.I.S (preferably in a transportation or related environment) and advanced computer skills using software applications;
- proven ability to manage multiple priorities, possess excellent verbal and written communication skills combined with a customer service oriented approach;
- prior experience in working with persons with special needs and demonstrated understanding of the *Ontarians with Disabilities Act* would be an asset.

This is a permanent full time position. The current salary range is \$48,000 - \$57,000. An extensive benefits package and the OMERS pensions program are included.

If you are a qualified candidate interested in this opportunity, please forward a resume and covering letter by February 24, 2012 to hr@mybigyellowbus.ca with Ref: 2012-001 in the subject line.

STS is an equal opportunity employer. We thank all interested applicants, however, only candidates selected for an interview will be contacted.
