EMPLOYMENT OPPORTUNITY

Services de transport des élèves du Sud-Ouest de l'Ontario/Southwestern Ontario Student Transportation Services (STS) is a transportation consortium responsible for the daily management of student transportation within Elgin, Middlesex and Oxford counties for the 4 coterminous school boards. More information regarding our organization is available at www.mybigyellowbus.ca.

We are currently seeking a **Transportation Specialist** to join our team. The successful candidate will be responsible for the design and implementation of student transportation for regular or specialized service through the use of a computerized planning software program. The Transportation Specialist will plan routes and maximize system efficiencies within prescribed parameters set out in the STS policies and procedures, related policies and procedures defined by member School Boards and/or applicable legislative requirements.

The successful candidate will have the following skills and abilities:

- a minimum of a College Diploma in Planning, Geography, GIS or other related discipline with a minimum of three (3) years experience in computer software, G.I.S and preferably in a transportation or related environment and advanced computer skills using software applications;
- proven ability to manage multiple priorities, possess excellent verbal and written communication skills combined with a customer service oriented approach;
- preference will be given to candidates meeting the above skills and abilities who are also fluent in oral and written French.

We offer a competitive salary and benefits. If you are interested in this opportunity, please forward a resume, covering letter and three (3) professional references by April 24th, 2009 to hr@mybigyellowbus.ca with **Ref: 2009-010TS** in the subject line.

STS is an equal opportunity employer. We thank all interested applicants, however, only candidates selected for an interview will be contacted.
