3.11 Duration of Bus Ride	1 of 1	June 2010

Policy Statement

Southwestern Ontario Student Transportation Services (“STS”) will plan routes whereby the ride time on the vehicle does not exceed 70 minutes per one way trip for students attending their board-designated school within their designated attendance area and under normal circumstances, noting geography and program options may prevent this in some circumstances. The above 70 minute ride time does not apply to specialized transportation.

Procedure

- The 70 minute ride time is based on normal traffic and weather conditions.
