<b>3.8 Travel to Bus Stop Distance</b>	<b>1 of 1</b>	<b>February 2010</b>

## Policy Statement

For the purposes of efficiency and consistency, STS has aligned the maximum distance that students may be required to travel to access a bus stop.

	<b>JKG – Grade 8 Elementary Panel</b>	<b>Grade 9 – 12 Secondary Panel</b>
<b>Urban Environment</b> (predominately residential in nature where community stops will be utilized within a city, town, village etc)	up to 800 meters (.8 kms)	up to 1600 meters (1.6 kms)
<b>Rural Environment</b>	near the residence or up to 400 meters (.4 kms)	near the residence or up to 400 meters (.4 kms)

Parents/guardians are responsible for a student's safe travel to and from a bus stop location to meet transportation.

## Procedure

STS routes will be planned with the above parameters established in the software planning program.
