- STS reserves the right to request medical documentation to support the need for the support person.
- In keeping with the Ontarians with Disabilities Act of 2005, support persons will not be charged a cost to travel with the student with special needs.
- STS will authorize the support persons once a Vulnerable Positions Screening Search has been submitted to STS.
- Transportation for the support person will be one way based on the student's destination. STS is not responsible for the co-ordination of or cost associated with the return trip for the support person once the student reaches his/her destination.
