

## Additional Services for Specialized Transportation Application (Form 7.4.1 IP)

Student Transportation Services will arrange for the following additional services for students who has been identified and approved for specialized transportation by the School Board. Additional services are:

- Adult monitor, intended for students with extraordinary medical or safety needs;
- Mid-day pickup, intended for students who are medically unable to attend a full day of school;
- Ride alone transportation, intended for students who are unable to be safely transported with other students;
- Additional Services for Specialized Transportation Application's are required annually;
- Where additional services are no longer required it is the responsibility of the Board to notify STS, by re-submitting the Additional Services for Specialized Transportation Application.

### Student Information

Student's Name:	Student's School:
-----------------	-------------------
