BusPlanner Delays App: Push Notifications for School Vehicle Delays and Cancellations

The BusPlanner Delays app is available for both iPhone and Android devices and is free.

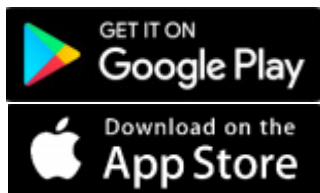

Instructions for Students/Parents/Guardians:

1. Download the free app to your device.
2. When asked for an access code, enter MBYB.
3. Select "For My Child's Transportation".
4. Select the school(s) from the list.
5. Select the bus run numbers (AVAILABLE IN THE PARENT PORTAL) – make sure you add both AM and PM bus run numbers, especially if your student has different bus assignments in the morning and afternoon.

Instructions for School Administrators:

1. Download the free app to your device.
2. When asked for an access code, enter MBYB.
3. Select "For My School".
4. Select the school(s) from the list. You will automatically receive notifications on every run to the school(s) selected, both AM and PM runs.

BusPlanner Delays will send push notifications to your device when the school bus company posts an in-service delay or a cancellation due to inclement weather.
