---

STS provides transportation based on the address on file with the school and does not accept address change information.

## How to Change Your Address at the School

	LDCSB	TVDSB
Elementary Schools	By email to the school office.  Find email address to schools online.	By email to the school office.  Find email address to schools online.
High Schools	By email to the school office.  Find email address to schools online.	By email to the school office.  Find email address to schools online.

You must coordinate address changes through the school / school board. If you are having difficulty or need assistance, you must contact your school / school board.

Do not report address changes to STS.

Bus Registration forms should be submitted once your address change is processed.
