STS provides transportation to students who are eligible under policy and who are registered at their board-designated school.

## **How to Register at School:**

Online school registration is available online on the school board websites.

### **London District Catholic School Board:**

Your student's registration process with the school board must be completed through the school / school board. If you are having difficulty or need assistance, you must contact your school / school board.

Do not submit your Bus Registration form prior to registering your student for school.

Bus Registration forms should be submitted once the student's registration is completed.
