2023-2024 Accessible and Specialized School Bus Registration**

Accessible and Specialized Transportation Bus Registration for next school year is now open! To schedule bus service more effectively for students, Southwestern Ontario Student Transportation Services (STS) has an **annual mandatory transportation registration process for students who are eligible for bus service.**

To register before June 29th click here: [2023-2024 Accessible and Specialized Bus Registration Form](#)

Know Your Student ID:

Prior to registering, caregivers need to know the Student ID number which is available by contacting the school office or in your school Parent Portal.

Registration Due Date:

Transportation Applications will be closed on June 29, 2023 so that routes can be finalized before the start of school.

You don't need bus service next year?

If you are not using bus service, you do not need to register. Please email spectrans@mybigyellowbus.ca to let STS know you do not need the bus next school year.

The STS Parent Portal:

The portal opens in late August for all caregivers who have registered for the school bus. The portal will give your busing details (bus #, bus stop locations, times, etc.). Instructions for how to set up and login to the parent portal can be found on our website here: <https://www.mybigyellowbus.ca/parent-portal/>
