- Successfully supported annual school start-up operations, achieving high student registration rates and ensuring all drivers completed route familiarization and readiness activities prior to service commencement.
- Conducted strategic route planning and service reviews to accommodate enrollment growth, optimize resource allocation, and maintain service standards while minimizing the need for additional routes.
- Worked collaboratively with transportation service providers to mitigate industry-wide driver shortages, maintaining service continuity through coordinated recruitment, retention, and workforce development initiatives.
- Supported transportation requirements for district-wide events, athletic programming, field trips, and specialized learning opportunities through charter and supplemental transportation services.
- Delivered First Rider Day programming across the district, providing hands-on school bus safety education and onboarding experiences for new riders, while maintaining year-round access to digital safety resources.
- Partnered with local school bus operators to promote transportation safety through enforcement initiatives, public awareness campaigns, and School Bus Safety Week activities.
- Continued partnerships with organizations such as CAA and local stakeholders to promote safe walking, cycling, and transportation awareness within school communities.
- Invested in staff development through participation in industry conferences, transportation leading practices initiatives, cybersecurity training, safety patrol programs, and sector-specific professional learning opportunities.
